

Disability Support Worker

 Location: East and Southeast Melbourne, Australia

 Type: Full-Time / Part-Time Opportunities Available (Casual probation period will apply)

SUMMARY

You will play a critical role in enhancing the lives of individuals living with disabilities, providing care tailored to their unique needs.

KEY RESPONSIBILITIES

- Assist clients with daily living activities, working to reach their goals, and community engagement.
- Provide specialized care for clients with brain injuries, neurological conditions, and complex physical needs.
- Work collaboratively with families and healthcare professionals to deliver person-centered care.
- Thorough shift notes and following care plans.

WHAT WE'RE LOOKING FOR

- A positive, reliable, empathic approach to support people of all ages and backgrounds living with a disability
- Demonstrated proven experience working with complex disabilities care such as PEG/NGT feeding, bowel care and catheter care
- Experience in the field of mental health and challenging behaviors
- Proven can-do, positive, and willing attitude

ESSENTIAL CRITERIA

- Minimum 3 years of experience in disability care.
- Experience working with complex care participants.
- Certificate III or IV in Individual Support, Disability, Aged Care, or related fields.
- Working with Children Check (WWCC).
- NDIS Worker Screening Check.
- Flexibility to work varied hours, including split shifts, weekends, public holidays, and school holidays.
